

MDS Medical + Navicare = Total Revenue Cycle Management

What Makes Navicare Different from Other Clearinghouses

- ✓ **Auto-Sync** — claims corrected and resubmitted from PrimeSUITE will automatically update claims in Navicare — no need to mark the claims as “worked” or run unnecessary safety reports.
- ✓ **Real-time reporting** — see your claim status within seconds of sending your claim from PrimeSUITE versus days with other clearinghouses.
- ✓ **Multiple payer submissions daily** — Navicare submits claims to payers throughout the day so you don’t need to worry about cut-off times.
- ✓ **MDS Medical and Navicare integration** — automate your revenue cycle with integrated eligibility, claims and ERA.
- ✓ **Industry-leading Client Service**
 - ❖ **3-Ring[™] Policy** — Your call will be answered by a member of our highly skilled client services team within three rings. Guaranteed.
 - ❖ **Client satisfaction** — Navicare is consistently ranked among the top clearinghouses by KLAS[®], a leading healthcare research firm, and maintains a 97% renewal rate.
 - ❖ **Member of the MGMA[®] AdminiServe[®] Partner Network**, an exclusive group of pre-screened, peer-reviewed and tested vendors.
 - ❖ **Dedicated MDS Medical implementation and enrollment team** handles all of the payer paperwork so your setup is quick and hassle-free. Plus, there’s no disruption in cash flow when you go live.

More

Navicare's web-based clearinghouse solution and MDS Medical's solution are integrated to provide your practice with a powerful revenue cycle management tool. This combined solution meets all of your practice management, claims, remittance, and reporting needs.

See how Navicare and MDS Medical can help your practice collect more in less time, with less effort.

Navicare Eligibility[™]

Reduce denials and increase profitability

- Determine eligibility prior to rendering service
- Real-time and batch eligibility available
- Fully integrated with PrimeSUITE

Navicare Claims[™]

Enhanced processing for faster payments

- Electronic primary and secondary claims
- Automated paper primary and secondary claims
- Institutional and workers compensation claims
- 98% clean claim first-pass rate

Electronic Remittance

Receive your ERA electronically and auto-post into PrimeSUITE

- 90% of claims sent via Navicare have electronic remittance advice (ERA)
- Thousands of payer connections nationwide
- ERA splitting available to ease billing

Navicare Productivity and Analysis Tools

Work faster and smarter

- Navicare Analysis Channel[™] – spot rejection and denial trends, make process changes, and track results
- Navicare Payer Appeal Collection[™] – save time by easily printing appeal letters with pre-populated claim information ready to forward to the payer
- Saved Work Lists – customized work lists enable the billing staff to focus their claims management efforts

Navicare Service

Award-winning, industry-leading client service

- 3-Ring[™] Policy – all support calls answered in three rings or less
- 95% of issues resolved on first call
- MDS Medical specific implementation and enrollment team
